RUBIN

Black – Gelding – 16.1hh – 2008

Rubinero (Rubinstein) X Don Schufro

Rubin is the perfect schoolmaster; kind and sweet but with talent to burn!

He is 16.1hh 13 years old and has been with her current owner for 11 years. She backed him herself and is only for sale as she is stepping away from riding. He has most recently been on loan to a teenage girl who competed him at the BD Midway Champs and Pony Club Open Championships with incredible results.

He is a gem to handle, incredibly easy and loves his job. He hacks, jumps, goes cross county although his real talent lies in the dressage arena. He has competed successfully up to Elementary and recently made the move up to Medium. He has good half passes and simple changes and has been ridden by competent adults and inexperienced children alike.

This is a very rare find of a super sane, sensible yet talented horse.
