This stunning pony is every young child's dream! He is well known in both the dressage and showing worlds and has had many successes in each.

His stunning 'look at me' looks are matched with beautiful paces and, most importantly for a pony, an incredible temperament that isn't fazed by big atmospheres, major championships or being ridden bareback on the beach!

The judges love him and he has had much success with his current owner competing up to Elementary with scores up to 73%. He has represented his region in the inter regionals, U25 Championships and Home International Championships.

His gorgeous looks, clean limbs, movement and temperament have ensured he has excelled equally as well in the showing sphere; winning multiple classes at the National Side Saddle Championships as well as being HOYS Champion and regularly qualifying for RIHS, NPS and Olympia Semi Finals.

Flute also loves his jumping, hacks out alone or in company, loves beach riders and is perfect to handle. He is a pleasure to take to shows and has done many stay away shows too, remaining equally easy to handle by young children and adults alike.
