

Perfect Schoolmaster or Junior/Young Rider Horse

Dark Bay – Gelding – 16.1hh – 2006

Ungaro (Rubinstein lines) X Wundermeyer

This gelding is drop dead gorgeous with the moves to match! He is fully established at small tour with scores up to 74% at PSG and

He has beautiful extensions, a light soft contact and easy changes. He is very safe and forgiving in training and always wants to please. He can be ridden in both a snaffle or a double and is equally easy in both.

He is easy to handle, loves his hacking and loads and travels well.

He would suit someone wanted an easy advanced schoolmaster but equally has the talent to make a fantastic junior/young rider horse.
